2012 ACCESSORIES

All specifications, claims, prices and information contained within are based upon current knowledge as of January 1, 2012 and are subject to change without notice. Prices do not include freight, handling or setup charges. ROVs can be hazardous to operate. For your safety, all occupants must wear a seat belt, approved helmet, eye protection, and protective clothing; use handhold and stay inside vehicle. Never ride on paved surfaces or public roads. Never engage in stunt driving; riding and alcohol/drugs don't mix and could cause serious injury or even death. Avoid excessive speeds and be particularly careful on difficult terrain. We recommend all ROV operators have a valid driver's license. No operators under age 16. Never carry a passenger in the cargo box; the passenger must be able to place both feet on the floor while keeping their back against the back of the seat. Arctic Cat recommends that all riders read and understand their operator's manual before operation and take a training course. For ROV training visit <http://cvt.rohva.org/>. Along with concerned conservationists everywhere, Arctic Cat urges you to "Tread Lightly" on public and private lands. Ride only on designated areas or trails. Preserve your future riding opportunities by showing respect for the environment, local laws, and the rights of others when riding. Do not shoot from or lean firearms or bows against the ROV. ANY BORING YOU HAD LEFT IN YOU WAS JUST SENT PACKING.

The Wildcat™ 1000i H.O. was designed to leave you searching for the right way to verbalize exactly how cool the ride is. Even if you could put it into words, we probably couldn't print it here. 'Cause this thing is fun. Exciting. And it'll give you the kind of adrenaline rush usually reserved for those guys that run with the bulls.

But it doesn't stop there. You can deck out your Wildcat with all sorts of Arctic Cat® awesomeness. Add a Bimini Top, Flip-up Windshield or a 4000-lb. Arctic Cat/WARN® Winch — to name a few — and experience the kind of fun stunt pilots have on their day off. So go on, take a look around. We'll see you on the other side of the sand dune.
